

UNIVERSITY & HIGHER EDUCATION OVERHEAD POLICY

To whom it may concern:

This is a notice to inform you of the policy of the Carl & Marilyn Thoma Foundation (“TF”) that when working with universities, colleges, and other higher education partners, the Foundation will not allow any part of the grant to be used for indirect costs. All funding should go towards direct program costs for the awarded project, as laid out in the project proposal.

If your institution’s grants/research/financial office has any questions or concerns about this policy, please direct inquiries to grants@thomafoundation.org.

Sincerely,

Sarah Rovang
